Dodgeball Rules

Players must abide by the rules. If you are called out and you don't listen or argue, you will **DISQUALIFY** your team. The object of the game is to eliminate all opposing players by getting them "out." This may be done by:

1. Hitting an opposing player with a LIVE thrown ball below the shoulders.
2. Catching a LIVE ball thrown by your opponent before it touches the ground. Definition of Live: a ball that has been thrown and has not touched anything, including the floor/ground, another ball, another player, official or other item outside the playing field (wall, ceiling, etc.)
 - o During play, all players must remain within the boundary lines.
 - o The first team to legally eliminate all opposing players will be declared the winner. If time is called before this happens, the team with the most remaining player wins.

CPPS Code of Conduct: (1) Understand, appreciate, and abide by the rules of the game, (2) Respect the judgment of the game officials and respect your opponent, (3) Be responsible for your actions and maintain self-control, (4) Do not taunt opponents and refrain from using foul and abusive language.
